EDUCATION

Ph.D., Medical Sociology, Temple University

(Specialization in health, disability, and long term care policy)

M.A., Sociology, Temple University

(Specialization in health and mental health care evaluation)

Graduate Fellowship in Brain Research, University of Colorado

(Specialization in single cell evoked potential mapping, caudate nucleus and RAF))

B.A. Cum Laude, Psychology, Yale University

(Specialized interdisciplinary major in Physiological Psychology)

Specialization Areas

Quality Measurement in the Human Services

National Health and Disability Policy Analysis

Cost-Outcome Evaluation

Education and Special Education

Community Supports Versus Institutional Models Across the Human Services

Self-Determination (Including Self-Direction, Consumer Direction, and Related Terms)

Self-Advocacy Movements, Structures, and Supports

Family Supports in the Human Services

International Disability Systems and Policy Options

Research Design, Implementation, and Data Analysis

Experience

2007 – Present Arcadia University Adjunct Professor

Doctoral level courses in education and Special Education.

1985 - Present Center for Outcome Analysis, Inc., Havertown, Pennsylvania President and Chief Executive Officer

Founder and President of consulting firm specializing in disability, health care, and long term care studies. Projects have included research, training, and policy analysis in health care economics, developmental disabilities, child welfare, mental health, aging, housing, employment, and quality of life. Corporate skills include quality assurance systems, survey and interview research, program evaluation, monitoring, statistics, graphical presentations, and motivational training. Experience includes:

- Independent evaluator for the individual outcomes and economic impacts of the Supported Independent Living program of high technology apartments for people with physical disabilities. Conducted for Pennsylvania Department of Health and Good Shepherd Rehabilitation Network.
- Co-Founder of Point-and-Read, an assistive voice screen-reader technology designed to give Web access to people who have difficulty with written materials (www.simtalk.com).
- Technical consultant for international projects on behalf of Mental Disability Rights International (www.MDRI.org) in Russia, Lithuania, Serbia, and Kosovo.
- Disability systems analyst for Community Living Association of Canada, including legal advocacy and research work in Manitoba, British Columbia, and Ontario.
- Quality of life tracking project for the Missouri Planning Council for Developmental Disabilities, following announcement of the closure of Bellefontaine Habilitation Center.
- Technical consultant for Michigan CMS grant on Quality Assurance/Quality Improvement, intended to produce an innovative approach and measurement instrument for assessing quality of life/quality of service among Medicaid Waiver participants. Collaborator with design team at University of Michigan School of Public Health.
- Rethinking Quality project designer and implementer for Michigan Department of Community Health, aiming at statewide measures of self-determination and person-centered planning over time.
- Longitudinal outcome study implementer for the Louisiana New Opportunities Medicaid Waiver, including people with physical disabilities, intellectual disabilities, and elders.
- Independent evaluator and technical consultant for Quality Information Management Systems effort of the Ohio Department of Mental Retardation and Developmental Disabilities, under a grant from the federal Centers for Medicare & Medicaid Services.
- Co-Author, 2002 Biennial Report on Disability to the Texas legislature.
- Long term study of the individual outcomes of intensive wraparound community supports for young people with autism and autism-like conditions, for the Youth Advocate Program of Pennsylvania.
- Quantitative expert in the special education lawsuit Gaskin v. Commonwealth Department of Education, concerning adherence to the requirements of Federal law under IDEA. Case settled in 2005 with remedies for plaintiffs.
- National evaluator for the Robert Wood Johnson Foundation's National Self-Determination Initiative.
- Expert witness for litigation to expand community supports in California, Connecticut, Florida, Maryland, Montana, New Mexico, North Carolina, Ohio, Pennsylvania, Oklahoma, Tennessee.
- Longitudinal study of the individual and system outcomes of institutional closures for the Indiana Division of Disability, Aging & Rehabilitation Services.
- Design consultant and data analyst for four-year study measuring outcomes of child welfare services, particularly foster care, in Illinois.
- Expert witness in special education lawsuit, P.J. v. Connecticut, alleging IDEA violations, plus gender and ethnic bias in labeling and placing students with mental retardation. The case was settled with remedies in favor of plaintiffs in 2002.
- Conducting a study of the closure of one mental health and one mental retardation facility in Kansas.
- Longitudinal research on patterns of special education labeling and placement in three states.
- Independent Expert for the California Department of Developmental Services and the California Superior Court to monitor the implementation of the settlement agreement in the Coffelt case. The settlement required creation of community homes for 2,000 institutionalized people with developmental disabilities over 5 years. The Expert designed a longitudinal quality tracking system and reported findings to the defendants, plaintiffs, and the court.
- Independent Evaluator selected by Robert Wood Johnson Foundation to evaluate outcomes of the New Hampshire Self-Determination Project.

Principal consultant for design and implementation of a longitudinal study of court ordered deinstitutionalization of people with dual diagnoses (mental retardation and mental illness) in North Carolina.

Independent Evaluator for the Philadelphia Regional Interdisciplinary Training Project on Substance Abuse and Child Maltreatment, for the Philadelphia Department of Human Services and The Center for Social Policy and Community Development of Temple University.

Independent audit of Arizona's services provided for people with developmental disabilities under Title XIX.

Expert witness in litigation concerning implementation of Early Periodic Screening, Diagnosis, and Treatment (EPSDT) on behalf of American Academy of Pediatrics and other organizations; designed study of treatment experiences of sample of 8,000 children over 2 years.

Multi-year strategic planning and research concerning qualities of life among institutionalized people in New Jersey.

Independent assessment of New Hampshire's Medicaid waiver program for senior citizens.

Designed and implemented a statewide quality assurance system for people with developmental disabilities in Oklahoma.

Evaluation of the Medicaid Waiver program for people with mental retardation in New Hampshire.

Evaluation of a project to move people with cerebral palsy and other physical disabilities from nursing homes to integrated homes in the community in Illinois.

Multi-year monitoring of the progress of a court order for community placement in Louisiana.

Tested the interrater reliability of Inspection of Care teams in nursing homes in Illinois.

Six-year longitudinal study of the well being of people with mental retardation in Connecticut who were deinstitutionalized under federal court order.

Three year study of deinstitutionalization in New Hampshire.

Quality audit of community services for people with developmental disabilities in Colorado.

Analyzed and reported on market research surveys for Coopers & Lybrand, including housing needs of U.S. Navy personnel, and commercial development in central Washington, D.C.

Evaluation of Philadelphia's efforts to provide services to people with AIDS and HIV infection, including research on the feelings of consumers of service.

**1993 - 1994 Quality Management Associates, Inc., Cherry Hill, New Jersey
Director of Quality Assurance and Systems Development**

Co-founder of two non-profit companies devoted to providing residential, vocational, and social supports for people with disabilities. The companies provided services in New Jersey and Pennsylvania, including family-like living situations, supported and competitive employment options, and social/recreational opportunities, for citizens with developmental disabilities and dual diagnoses.

**1977 - 1992 Temple University Institute on Disabilities/UAP Philadelphia, PA
Director of Research and Program Evaluation**

1975 - 1977: Research Coordinator

Responsible for creation and growth of the evaluation and research capabilities of the Developmental Disabilities Program of the University. Secured funding by writing proposals, headed the research projects, oversaw data collection and data reduction, performed the statistical analyses, and wrote the reports. Distributed reports and gave frequent presentations to national and local organizations, including government officials, advocates, consumers, professionals, and the media. Provided technical assistance locally, statewide, and nationally via literature review, research design, and data analysis for research involving people with disabilities. Accomplishments included:

Published first study of American trends in deinstitutionalization of people with mental retardation in 1977.

Served as Expert Witness in disability rights cases spanning 18 years in 10 states.

Directed cross-cultural research (consultation and evaluation in community living and vocational programs) in Australia, Canada, England, Ireland, Israel, New Zealand, and Sweden.

Principal Investigator for the Five-Year Longitudinal Study of the Court-Ordered Deinstitutionalization of Pennhurst.

Designed and implemented community quality assurance systems in Pennsylvania.

Collected and automated individual quality of life data for 1600 residents of Pennsylvania's State Centers who were judged likely to be placed into community living settings.

Performed independent assessment of Pennsylvania's Medicaid Home and Community Based Waiver program.

Conducted a national study of the relationship between the size of community residential settings and quality of life.

Directed a project to evaluate Pennsylvania's implementation of nursing home reform as it affected people with disabilities.

Facilitated efforts of the Pennsylvania Coalition for a Disability Agenda to develop new legislation for people with disabilities other than mental retardation.

Directed preparation of the 1990 Report on developmental disabilities to the Secretary of Health and Human Services and to the Congress of the United States.

Directed Temple's technical assistance to the states for implementing the 1990 National Consumer Survey.

1973 - 1975: Linton, Miels & Coston, Inc., Washington, D.C.

General Associate

Project Director for Federal survey and analysis of manpower needs in alcoholism service delivery system. Project Director for literature analysis of the relationship between staffing patterns and client outcomes in alcoholism treatment. Project Director for Federal study of validity of an economic indicator of treatment outcome in alcoholism programs. Project Manager for national study of housing repair and maintenance. Associated with two Federal research projects on the impact of programs for aging citizens. Participated in, and co-authored final report on, national study of alternative approaches to mental health services planning in metropolitan areas. Assisted in research design for Immigration and Naturalization Service regarding policy on illegal aliens. Assisted in management evaluations of hospital organization. Assisted on project for State of Maryland on planning a statewide human service system.

1972 - 1973: Johns Hopkins University School of Hygiene & Public Health

"Project Interdrug" Field Coordinator

Coordinated field operations in ten cities for \$3.3 million national evaluation of heroin and other drug abuse rehabilitation programs, sponsored through the interagency coordination of the White House's Special Action Office for Drug Abuse Prevention. Responsible for liaison with selected national sample of treatment agencies; assisted in design of data collection instruments; field program data collection; recruiting, selecting, and training local interviewers in each city; extensive liaison with Federal, State and local government officials, and drug abuse treatment agencies. Assisted in overseeing the progress and quality of field interviewing. Co-authored Field Procedures Manual and assisted in preparation of final reports.

1971 - 1972: Norman K. Walker Associates, Inc., Bethesda, Maryland

Project Manager

Project manager for Delaware vocational rehabilitation evaluative research study on the application of an aerospace stress-sensitivity test to vocational rehabilitation screening and placement. Extended study to include testing of groups of drug abusers. Directed studies and co-authored final report.

1970 - 1971: Decision Control, Inc., Bethesda, Maryland

Project Director

Project director of national survey study of the impact of the new Developmental Disabilities Act of 1970. Studied the prevalence of people with mental retardation, cerebral palsy, epilepsy, and related conditions nationwide, and their overlaps. Assessed similarities and differences in support needs. Designed survey, performed literature review, directed conduct of survey, directed field data collection, wrote final report. Also participated in studies of the economic impacts of Comprehensive Health Planning agencies, employer-financed day care services, and community mental health services.

Reports Delivered to Government and Private Agencies

Dr. Conroy has directly participated in the preparation of more than 300 formal deliverable research reports to federal, state, and local government agencies, service agencies, and private foundations since 1970. Each of the reports below was formally reviewed and accepted by the recipient organization.

326. 477. Conroy, James W. (2013, April). *Outcome Evaluation of New Leash on Life USA*. Report submitted to City of Philadelphia Prison System and New Leash on Life USA. Havertown, PA: Center for Outcome Analysis.

325. Devlin, S., & Conroy, J. (2013, February). *Access Alliance of Michigan's Quality Feedback System: Outcomes of 2012 Follow-up Data*. Report Number 3 of the AAM Quality Tracking Series. Submitted to Sandra Gettel, AAM Performance Improvement Specialist, Access Alliance of Michigan. Havertown, PA: Center for Outcome Analysis.

324. Conroy, J. (2013, February). *Validity of the Sample of Students in New Jersey's Special Education System for DRNJ v. NJDOE*. DRNJ v. NJDOE Brief Report Number 7. Submitted to Disability Rights of New Jersey. Havertown, PA: Center for Outcome Analysis.

323. Devlin, S., & Conroy, J. (2012, December). *Summary Of Seven Student Booklets Questions Related To "Most Recent" IEP*. DRNJ v. NJDOE Brief Report Number 6. Submitted to Disability Rights of New Jersey and the Education Law Center of New Jersey. Havertown, PA: Center for Outcome Analysis.

322. Devlin, S., & Conroy, J. (2012, December). *Access Alliance of Michigan's Quality Feedback System: Preliminary Results of 2012 Follow-up Data*. Report Number 2 of the AAM Quality Tracking Series. Submitted to Access Alliance of Michigan. Havertown, PA: Center for Outcome Analysis.

321. James W. Conroy, PhD, Charles S. Ferris, Julie A. Furdella, Christian and Nora L. Conroy (2012, December). *Canines in Corrections: A Qualitative Analysis*. Outcomes Report #2 in a Series. Submitted to New Leash on Life USA. Havertown, PA: Center for Outcome Analysis.

320. Rankin, R., Conroy, J., & Clark, M. (2012, October). *Fiscal Conservatism of Self-Determination: A 10 Year Study*. Report prepared for Kern Regional Center, California, and the Center for Self-Determination. Havertown, PA: Center for Outcome Analysis.

319. Conroy, J. (2012, September). *Reliability of the Health Risk Screening Tool: Press Release*. Report submitted to HRST Online as part of a series of studies of instrument reliability. Havertown, PA: Center for Outcome Analysis.

318. James W. Conroy, PhD, Steven J. Devlin, PhD, Charles S. Ferris, and Nora L. Conroy (2012, October). *New Leash Participants Report Increase in Hope and Pride Amidst New Challenges*. Outcomes Report #5 in a Series. Submitted to New Leash on Life USA. Havertown, PA: Center for Outcome Analysis.

317. James W. Conroy, PhD, Steven J. Devlin, PhD, Charles S. Ferris, and Nora L. Conroy (2012, October). *New Leash Participants See Their Lives Improving*. Outcomes Report #3 in a Series. Submitted to New Leash on Life USA. Havertown, PA: Center for Outcome Analysis.

316. Devlin, S., Conroy, J., & Ferris, C. (2012, August). *2012 HelpHOPELive Impact Survey*. Brief Report Number 1 to the HelpHOPELive foundation, formerly the National Transplant Assistance Foundation. Havertown, PA: Center for Outcome Analysis.

315. Conroy, J., Ferris, C., & Devlin, S. (2012, May). *Access Alliance of Michigan's Quality Feedback System Baseline Report 2012*. Report Number 1 of the AAM Quality Tracking Series. Submitted to Access Alliance of Michigan. Havertown, PA: Center for Outcome Analysis.

314. Conroy, J. (2012, January). *Longitudinal Study of Outcomes and Costs of the New Leash on Life Program. The First Group: Qualitative Analysis*. Outcomes Report #1 in a Series. Submitted to New Leash on Life USA. Havertown, PA: Center for Outcome Analysis.

313. Conroy, J., Ferris, C., & Vanni, C. (2011, October.) *Making Choices 2012: Investigation of Changes in Opportunities to Make Choices at Bancroft's Adult Support Settings, 2007 to 2011*. Bancroft Outcomes Report #12. Submitted to Bancroft, Haddonfield, NJ. Havertown, PA: Center for Outcome Analysis.

312. Conroy, J., & Carver, P. (2011, September). *Tracking Life Quality Outcomes: Pilot Test of Instruments and Methods. Brief Report #3*. Prepared by Center for Outcome Analysis and Community Drive, Submitted to Bay Arenac Behavioral Health Authority, Bay City, MI. Havertown, PA: Center for Outcome Analysis.

311. Conroy, J., Ferris, C., & Vanni, C. (2011, October.) *Living Good Lives and Choosing Freely: Qualities of Life and Opportunities to Make Choices at Bancroft's Adult Support Settings 2007 to 2011*. Bancroft Outcomes Report #11. Submitted to Bancroft, Haddonfield, NJ. Havertown, PA: Center for Outcome Analysis.

310. Ferris, C., & Conroy, J. (2011, July – Held in favor of Report 11.). *Qualities of Life Among People Supported by Bancroft NeuroHealth from 2009 to 2011: Participant Outcomes and Status Measurement (POSM)*. Bancroft Outcomes Report #10. Submitted to: Bancroft Neurohealth. Havertown, PA: Center for Outcome Analysis.

309. Conroy, J. (2011, June). *Self-Determination for People with Developmental Disabilities After 20 Years: Policy Impacts and Implications for Health Care Reform*. Research prospectus submitted to the Robert Wood Johnson Foundation for the 2011 Investigator Awards. Havertown: Center for Outcome Analysis.

308. Conroy, J., & Carver, P. (2011, April). *Tracking Life Quality Outcomes: Interim Report on Instruments and Methods. Brief Report #2*. Prepared by Center for Outcome Analysis and Community Drive, Submitted to Bay Arenac Behavioral Health Authority, Bay City, MI. Havertown, PA: Center for Outcome Analysis.
307. Ferris, C. & Conroy, J. (2011, February). *Developmental Outcomes: Recent Progress Among Students at Bancroft Neurohealth. Bancroft Capabilities & Behavior Scales. Bancroft Outcomes Report #9.* Submitted to Department of Education, Bancroft Neurohealth, Haddonfield, NJ. Havertown, PA: Center for Outcome Analysis.

Presentations at Local, State, National, and International Levels

Dr. Conroy has participated in more than 460 professional presentations at the local, state, national, and international levels since 1976. He has delivered presentations to scientific groups, advocacy groups, self-advocates, legislative bodies, and judicial proceedings, including the United States Senate, legislatures in California, Ohio, Pennsylvania, and Washington state, as well as the Finance Ministry of Lithuania and the Moscow Duma. The kinds of presentations have included speeches to lay audiences, technical workshops, training seminars, courtroom testimony, testimony before legislative bodies, radio and television appearances, participation in panel discussions at advocacy conferences, and presentations at professional conferences. Public media presentations have included interviews by the New York Times, the Philadelphia Inquirer, Philadelphia Weekly, National Public Radio, the Chicago Tribune, public television, public radio, Philadelphia's NBC News, the ABC Evening News with Peter Jennings, Nightline with Ted Koppel, and 60 Minutes with Ed Bradley.

477. Conroy, J. (April 5, 2013). Disability History Informs Current Public Policy. Invited address to the Millersville University Symposium on the Statewide Disability History Coalition at Millersville University, Millersville, PA.

476. Conroy, J., & Wilk, Donna (March 20, 2013). *The American Disability Rights Movement: From Segregated Schools and Institutions to FAPE and Community*. Invited presentation to doctoral students in education at Holy Family University. Newtown, PA.

475. Conroy, James., Carver, Patricia, and McClean, Brian (March 11-15, 2013). *State of the Art in Supports for Citizens with Developmental Disabilities – International Progress and Perspectives*. Sponsored by Ray House, www.ray.fi, and Developmental Service Foundation www.kvps.fi. Invited lecture tour of Helsinki, Oulu, Tampere, and Pori, Finland.

474. Carver, Patricia, & Conroy, James (February 25 and 26, 2013). *Strategic Planning for Community Connections*. Facilitated planning sponsored by the Clearwater Council of Governments, Ohio. Facilitated with managers and staff from day programs in Huron, Morrow, and Wyandot Counties, OH.

473. Carver, Patricia, & Conroy, James (January 30 and 31, 2013). *Community Connections: The Heart of Quality of Life*. Workshops sponsored by the Clearwater Council of Governments, Ohio. Delivered to managers and staff from day programs in Huron, Morrow, and Wyandot Counties, OH.

472. Carver, Patricia, & Conroy, James (February 9, 2013). *The Promise of Self-Determination in Policy and Fiscal Reality*. Seminar for Virginia Partners in Policy-Making, sponsored by Virginia Board for People with Disabilities. Richmond, VA.

471. Conroy, James, & Searle, Jean (February 4, 2013). *The Challenge of Inclusion: Disability Rights, the Community Movement and Pennsylvania Public Policy*. Keynote presentation to Symposium at Millersville University. Millersville, PA.

470. Conroy, James (November 12, 2012). *American – Georgian Partnership for Research in Developmental Disabilities: The Foundation for Collaboration*. Seminar delivered to Faculty and Students of the first Doctoral program in Social Work at the University of Georgia. Tbilisi, Georgia: Sponsored by Disability Rights International and the University of Georgia.

469. Conroy, James (October 10, 2012). *Institutional Closures in Oklahoma: Can We Predict Outcomes Based on Past Evaluation and Tracking?* Invited webinars for the Governor's cabinet and the DHS Closure Commission. Sponsored by the Oklahoma Developmental Disabilities Council and the Office of Governor Mary Fallin. Havertown, PA and Oklahoma City, OK.

468. Conroy, J. (August 10, 2012). *Virginia's Newest Opportunity To Improve Quality In Fiscally Conservative Times: Moving From Segregation To Integration In Living & Working*. Invited presentation at the Arc of Virginia's Annual Conference entitled "A New Day for Virginia." Virginia Beach, VA.

467. Carver, P., & Conroy, J. (August 10, 2012). *Individual Budgeting*. Invited presentation at the Arc of Virginia's Annual Conference entitled "A New Day for Virginia." Virginia Beach, VA.

466. Carver, P., & Conroy, J. (August 9, 2012). *The Promise of Self-Determination and Person-Centered Planning*. Invited presentation at the Arc of Virginia's Annual Conference entitled "A New Day for Virginia." Virginia Beach, VA.

465. Conroy, J. (July 11, 2012). The Science of Size, Funding, and Quality in Residential Options. Invited Webinar to the Ad Hoc Work Group on Planned Communities of the Arc of the United States. Presentation via Webmeeting.

464. Conroy, J., Searle, J., & Ferris, C. (July 11, 2012). The Legacy of Pennhurst: Personal, Legal, Social and International. Invited luncheon presentation to the staff of the Disability Rights Network of PA, the Education Law Project, and the Juvenile Law Center. Philadelphia, PA.

463. Rosenthal, E., & Conroy, J. (July 10, 2012). *Worldwide Campaign to end the Institutionalization of Children Under the terms of the United Nations C Rights of Persons with Disabilities*. Conroy subtitle: *Deinstitutionalization In USA: International Collaboration to Avoid Some Mistakes*. Invited presentation to UNICEF headquarters staff in the United Nations Plaza. New York City, New York.

462. Gettel, S., Czerniak, J., & Conroy, J. (May 31, 2012). *Tracking Life Quality Outcomes: PIHP with Peer Interviewers*. Invited presentation on the new quality tracking system of Access Alliance of Michigan at the conference entitled "Improving Outcomes

Finance & Quality through Integrated Information” coordinated by the Michigan Association of Community Mental Health Boards. Thompsonville, Michigan.

461. Conroy, J. (May 18, 2012). *America’s Creation of Community Options: A REAL Paradigm Shift*. Invited address to the annual fundraising dinner of Community Options, Inc. of New Jersey. Princeton, NJ.

460. Conroy, J. (May 7, 2012). *Deinstitutionalization in the USA: Transatlantic Collaboration to Avoid Some Mistakes*. Invited presentation at the European Union conference entitled “CRPD and Structural Funds: The way ahead for independent living.” Convened and sponsored by the Office of the High Commissioner for Human Rights of the European Union. Brussels, Belgium.

Legal Activities 1: Reports, Statements, Declarations, and Depositions

Conroy, J. (2010, April). Report Regarding Benjamin v. Department of Public Welfare. Expert witness report on the Commonwealth's determination of the need for individuals to remain institutionalized. Submitted to Disability Rights Network of Pennsylvania.

Conroy, J. (June 8, 2009). Declaration Regarding Amber Blunt, et al, v. Lower Merion School District. Expert statistical witness in a case asserting differential treatment of African-American students, particularly those with learning disabilities.

Conroy, J. (September 28, 2007). Deposition Regarding The Estate of Jacob Braden v. AIRES, et al. Expert witness services defending provider and state against wrongful death claim of an Estate. Phoenix, AZ.

Conroy, J. (December 15, 2006). Deposition Regarding Gaines, et al. v Hadi, et al. Expert witness services pro bono provided concerning rate setting mechanisms in Florida under Medicaid. Philadelphia, PA.

Conroy, J. (June 29, 2006). Deposition Regarding Martin v. Taft : Expert Testimony on the Outcomes and Costs of Community Living. Columbus, OH.

Conroy, J. (December, 2004). Deposition Regarding Bowers v. NCAA. Data analyst on the case asserting discrimination against students with learning disabilities in the awarding of athletic scholarships. For the Public Interest Law Center of Philadelphia, deposed by Drinker, Biddle, & Reath, LLP, on behalf of defendant NCAA.

Conroy, J. (November, 2004). Deposition Regarding Rosie D. v. Swift. Review of the sampling procedures for the case-related study of the conditions of mental health services for children in Massachusetts. For the Center for Public Representation, deposed by attorneys for the state of Massachusetts.

Conroy, J. (September, 2004). Disclosure of James W. Conroy in the matter of Rosie D. v. Swift. Expert statement on sampling procedures for discovery of conditions of children in need of mental health services. Prepared for the Center for Public Representation, Northampton, MA. Havertown, PA: Center for Outcome Analysis.

Conroy, J., & Hoyer, R. (August, 2004). *NCAA Waiver Practices from the Mid-1990s: Evidence of Continued Discrimination Based on Disability*. Expert analytical report submitted to the Public Interest Law Center of Philadelphia. Havertown, PA: Center for Outcome Analysis.

Conroy, J. (July, 2004). Statement of James W. Conroy in the Matter of Porter v. Krickrehm. Expert rebuttal statement prepared for the Arkansas Disability Rights Center, related to a case on institutional services. Havertown, PA: Center for Outcome Analysis.

Conroy, J. (December 4, 2003). Deposition Regarding Omega v. Rescare. United States District Court, Southern District of Indiana, Indianapolis Division.

Conroy, J. (November, 2003). Report of James W. Conroy, Ph.D., in the matter of Omega v. Rescare. Expert report on opinions regarding well-being of people affected by the closure of three large private facilities in Indiana in 1999. United States District Court, Southern District of Indiana, Indianapolis Division.

Conroy, J. (September 24, 2001). Deposition Regarding sampling and statistics in Rolland v. Cellucci. Litigation sought and obtained the transition of 1,100 people with mental retardation or other developmental disabilities from nursing homes to more appropriate community residential services. 198 F. Supp. 2d 25 (D. Mass. 2002).

Conroy, J. (June 8 and 9, 2000). Deposition Regarding Martin v. Taft. Provided expert testimony on the State of Ohio's Individual Information Form and Associated Databases. Federal District Court. Columbus, OH.

Conroy, J. (January 2 and February 11, 1997). Deposition Regarding CARC v. Tirozzi (case later referred to as P.J. v. Connecticut). Served as expert witness regarding class action litigation on behalf of students labeled with mental retardation. Federal District Court, Hartford, CT.

Conroy, J. (Beginning in May 1996). Scientific team member in the Gaskin case on special education in Pennsylvania. Responsible for instrument review, sample design, database acquisition and analysis. Case settled in 2004.

Conroy, J. (August, 1996). Deposition regarding report entitled *Individual Benefits of Implementing the Thomas S. Requirements: Strong Positive Outcomes*. Part of the proceedings in Thomas S. case in North

Carolina, concerning motion to dismiss case on the basis of compliance with settlement provisions. (Deposition April 1996.) Charlotte, NC.

Conroy, J. (1979 to 1981). Scientific consultant, survey sample designer, and data analyst for contempt hearings against the city of Philadelphia in the case of PARC v. Pennsylvania litigation on behalf of students with special educational needs. Findings of contempt were entered.

Conroy, J. (1976 to 1978). Scientific consultant, survey sample designer, and data analyst for the Halderman v. Pennhurst case on behalf of children and adults with mental retardation who were institutionalized at the Pennhurst State School and Hospital. Pennhurst closed in 1987.

Legal Activities 2: Courtroom Testimony

Conroy, J. (May 2 and May 6, 2005). *Expert witness testimony in Rosie D. v. Romney*. The case alleged overemphasis of institutional care for children with mental health needs, and underdevelopment of community and home based supports. Testimony bore upon two issues: adequacy of the sample drawn for the field study, and analysis of the state's own Medicaid paid claims database. Federal District Court. Northampton, MA.

Conroy, J. (October 31, 2002). *Expert witness testimony on the issue of releasing jurisdiction in the case of Homeward Bound v. Hissom Memorial Center*. Federal District Court. Tulsa, OK.

Conroy, J. (May 1, 2002). *Testimony in the fairness hearing for settlement of the People First v. Arlington Developmental Center litigation: Expert witness in favor of the settlement*. Federal District Court, Memphis, TN.

Conroy, J. (November 5, 2001). *Expert witness testimony on sampling and statistics in Rolland v. Cellucci*. Litigation sought and obtained the transition of 1,100 people with mental retardation or other developmental disabilities from nursing homes to more appropriate community residential services. 198 F. Supp. 2d 25 (D. Mass. 2002).

Conroy, J. (January 17, 2000). *Courtroom Testimony in CARC v. Tirozzi* (case later referred to as P.J. v. Connecticut). Expert witness testimony regarding class action litigation claiming gender and ethnic bias among students labeled with mental retardation. Federal District Court, Hartford, CT.

Conroy, J. (February, 1999). *Expert Witness Testimony in Messier v. Connecticut: 25 Years of Research on Comparative Quality of Institution and Community Living and Working*. Testimony in the Federal District Court of New Haven, CT regarding lawsuit to provide community options for the people living at Southbury Training School.

Conroy, J. (July, 1997). *National and Florida Trends in Waiver Funding and Outcomes*. Expert testimony in the Federal District Court of Judge Wilkie Ferguson, Jr., re: proposed settlement in the case of Cramer v. Chiles.

Conroy, J. (January, 1997). *The Outcomes of Court Ordered Deinstitutionalization in America*. Expert testimony presented to Federal Court in People First v. Tennessee and the Clover Bottom, Nat. T. Winston, and Greene Valley Developmental Centers. Federal District Court, Nashville, TN.

Conroy, J. (August, 1996). *Individual Benefits of Implementing the Thomas S. Requirements: Strong Positive Outcomes*. Expert testimony presented to Federal Court in Thomas S. case in North Carolina, concerning motion to dismiss case on the basis of compliance with settlement provisions. (Deposition April 1996.) Charlotte, NC.

Conroy, J. (July, 1995). *Twenty Years of Research on the Beliefs, Feelings, and Attitudes of Families During Deinstitutionalization*. Expert testimony presented to Federal Court in People First v. Tennessee and the Arlington Developmental Center. Memphis, TN.

Conroy, J. (December, 1993). *Statement of the Findings of James W. Conroy, Ph.D., from the Pennsylvania Office of Mental Retardation's 1992 Monitoring Data*. Expert testimony presented to Judge Raymond Broderick in the District Court of the Eastern District of Pennsylvania, bearing on contempt proceedings against the City of Philadelphia, as part of Halderman v. Pennhurst.

Conroy, J. (March, 1993). *Research on Deinstitutionalization in the United States*. Expert testimony to the United States District Court of the Western District of Pennsylvania, in the case of Richard C., et al. v. John F. White, Jr., et al. Pittsburgh, PA. The Western Center, an institution for people with mental retardation, was closed 8 years later.

Conroy, J. (April, 1990). *Research on Deinstitutionalization in the United States*. Subpoenaed to present testimony to the United States District Court in New Mexico, in the case of Jackson et al. v. Fort Stanton et al. Albuquerque, NM. New Mexico became one of the 10 states with no person in a public institution by reason of developmental disabilities.
