Watchcraft by Eduardo Milieris

Artist Visit | One day only
 Saturday, October 5th, 11am - 5pm
 Heart of the Home, 28 South Main St., New Hope, PA
 215-862-1880 heartofthehome.com

Heart of the Home welcomes Watchcraft artist Eduardo Milieris for an in-store appearance and trunk show of his exceptional watches.

Born in Uruguay, Eduardo Milieris has always been fascinated by time. Alexander Calder influenced him at a young age. Building on a liberal arts background with photography, video art and sculpture, he creates more than 100 unique watch styles in his New York studio.

The watches are created in limited editions. Wearable works of art, they are carefully handcrafted to ensure their quality and originality, made with distressed and oxidized, nickel-free solid jewelers brass and embellished with solid brass, solid copper and sterling silver. All watches are numbered and signed. Dials are individually hand painted by Eduardo himself; no two are the same. His work is available year round at Heart of the Home. This is a rare opportunity to meet the artist and explore the depth and breadth of his expansive collection.
