

Works in Wood

2017

Works in Wood honors the **rich cultural heritage** of Bucks County woodworking while celebrating the **new visions of the contemporary artists** who reside in our region and beyond. As a **national juried** show, Works in Wood features artwork from the finest talent in the country today. Works are **not limited** by function but must be **original** in design and artists must incorporate at least 50% of wood in each piece. The **annual** exhibition features **functional and non-functional** works, studio **furniture, turnings, constructions, sculpture** and **vessels** in which artists use **wood** as their primary media.

- **Eligibility:** The exhibition is open to artists working in wood. Innovative works are encouraged. All works must be for sale or available by commission. New Hope Arts retains 35% commission on all sales.
- **Jury process:** All works are judged in a blind jury process. Jurors consider works based on artistic excellence and aesthetic vision. Artists will be notified by email. We will not be able to accommodate phone inquiries regarding Selection Committee decisions.

Jurors:

Mark Sfirri
John McDevitt
